Your Safety Ally

Since our founding more than 15 years ago, SR Max® has maintained family ownership. We're proud to be family owned because it helps us provide the protection you need without the headache and bureaucracy. Being a privately held, US-based company allows us to stay nimble and true to our values of transparency, community, collaboration and, of course, safety.

We're a team of athletes, gamers, coaches, gardeners, musicians and artists who've worked in many industries. We're talking about restaurants, manufacturing, construction, higher ed, advertising and more. These experiences help us better understand your specific challenges and bring creative solutions to the table. In short, this diversity makes us stronger.

The one thing we ALL agree on is that safety solutions should be simple and help you pursue your passions on the job. That's why at SR Max®, we provide corporate programs that are fit to empower.

Credit/Exchange Details: If returning your shoes for full credit, you will be charged a \$6.50 processing fee. If returning your shoes for an exchange, no processing fees will apply. Initial shipping charges are nonrefundable, but shipping is free on all exchanges.
