

## Harness the power of MaxTRAX®.

MaxTRAX® is our exclusive, high-performing outsole. It channels away liquids like nobody's business and has a grip that won't quit.

We know because we put it through the wringer in independent performance tests. And it excels—every time. MaxTRAX® performs so well that it's trusted by some of your favorite brands like Timberland PRO, Skechers, Rockport, Reebok and, of course, SR Max®.

**So many styles. So much comfort. The only problem? Which ones to choose.**
